Inquiries made before this date may experience delayed responses.**

# Exhibit Decoration Regulations

## Important Notes

Do not block emergency exits, emergency lights, smoke control switches, fire alarms, emergency phones, or indoor fire hydrant operation spaces.

Please use designated smoking areas.

Do not place objects in the aisles, particularly in evacuation routes, near emergency exits, fire hydrants, or fire extinguishers inside the venue.

Do not move any equipment or furniture within or near the venue, and do not drive nails, tacks, or screws into walls. Do not use tape or adhesives for securing items to walls.

When performing installation or transporting materials, ensure that you do not damage the venue's facilities (electricity, telephone, water systems) or the decorations and the walls. In the event of any damage, regardless of the cause, please restore the site to its original condition. In the event of any damage, regardless of the cause, please restore the site to its original condition.

Repair costs will be borne by the exhibitor. · The use of wall outlets in the shared areas or within exhibition halls is strictly prohibited.

## ◆Ceiling Structures

However, if deemed necessary for exhibition purposes (e.g., for light-blocking or dust prevention), exceptions may be made. If you wish to install a ceiling structure, please submit construction plans (including floor plans, elevation views, and If you wish to install a ceiling structure, please submit construction plans (including floor plans, elevation views, and detailed drawings) that specify the structure, materials, height, and area at least one month prior to the event.

**< If you plan to use a tent, please contact the Construction Office >**

**Due to potential interference with fire detection and sprinkler systems, you may be required to install an automatic fire alarm system or provide wireless smoke detectors at your own expense. For wireless smoke detectors, please submit the specifications in advance.**

# Fire Safety Regulations

## Prohibited Actions

### Use of open flames (including incense, candles, etc.)

Open flame refers to any equipment that uses gaseous, liquid, or solid fuel and produces flames or sparks, or exposes a heating element to the outside. This also includes electrical equipment with visible, glowing heating elements (e.g., electric stoves, heaters, and heating devices), and any equipment with exposed heating elements that may ignite combustion. This also includes electrical equipment with visible, glowing heating elements (e.g., electric stoves, heaters, and heating devices), and any equipment that may ignite combustible materials on contact (typically at temperatures of 400°C or higher). (This does not apply to devices such as toasters, hair dryers, or ovens, where the heating element faces an enclosed area like a chamber or air duct.)

### Bringing hazardous materials into the venue

The following hazardous items are prohibited: A) Hazardous substances

#### **A) Hazardous substances**

These are defined in Appendix 1 of the Fire Services Act and include: • Class 5 Hazardous Substances

Class 5 Hazardous Substances (e.g., celluloid)

Class 4 Hazardous Substances: (e.g., celluloid)

- Class 1 Petroleum Products (e.g., gasoline, paint thinners)
- Class 2 Petroleum Products (e.g., kerosene, diesel fuel, lithium-ion batteries for vehicles, inks for printing machines)
- Class 3 Petroleum Products (e.g., heavy oil, machine oils, lubricants, inks for printing machines)
- Class 4 Petroleum Products (e.g., spindle oil, gear oil, lubricants, hydraulic oils)
- Animal and Vegetable Oils (e.g., cooking oils)

#### **B) Combustible liquids or solids**

Designated combustible items (e.g., candles, cleaning liquids) Liquids containing hydrogen are also subject to regulation.

#### **C) Gases regulated under Article 2, Paragraph 1, Item 1 of the General High-Pressure Gas Safety Regulations**

These include: Flammable gases (e.g., acetylene, hydrogen, butane, propane, benzene, ammonia) Hydrogen generators or hydrogen water dispensers are Hydrogen generators or hydrogen water dispensers are also classified as hazardous materials and require approval for use in the venue.

#### **D) Explosives regulated under the Explosives Control Act**

These include: Explosive materials (e.g., toy fireworks, explosives)

#### **Application for Permission to Bring Items**

If you intend to bring any of the above-mentioned items into the venue, you must submit a permission application to the fire department at least one month before the event. Since documentation will be required, please contact the Construction Office as early as possible.

# Rental Equipment Information

## Rental Equipment Usage Regulations

When renting equipment, please ensure that you restore it to its original condition before returning it.

When renting equipment, please ensure that you restore it to its original condition before returning it.

Please note that if any damage, such as scratches or stains, is found upon return, the cost of repairs will be charged to the exhibitor.

## How to Apply

### Step 1: Application

Fill out the necessary information on the application forms starting on page 16, and submit them via email to Geo Brain Co.

#### < Application Period >

**December 2, 2024 (Mon) - April 4, 2025 (Fri)**

### Step 1: Application

Fill out the necessary information on the application forms starting on page 16, and submit them via email to Geo Brain Co.

**Please note that from this year, payments should be made to Geo Brain Co. If payment is not confirmed by the due date, the order will be considered canceled.**

#### < Payment Deadline >

April 18, 2025 (Fri)

#### < Payment Information >

Beneficiary Bank : Mizuho Bank      Branch Name : Gotanda Branch

SWIFT code : MHCBJPJT

Beneficiary's Account Number : (Ordinary) 4008457

Beneficiary Name : Geo Brain Co., Ltd.

**※Please note that the bank transfer fee will be your responsibility.**

### Step 3: Delivery, Setup, and Return

The rented equipment will be delivered to your booth by 9:00 AM on the setup day (Friday, May 9). Please ensure that you restore the equipment to its original condition before returning it at the time of removal.

## [Important Notes]

Please note that cancellations after payment are non-refundable, so be sure to confirm before submitting your application.
