Contact Information

Sound Messe 2027 Construction Office

In charge: Geo Brain Inc.

For Inquiries

Contact person: Mr. Sakaguchi

E-mail: soundmesse_sekou@geo-brain.com

※ For any questions or consultations, please contact us first by e-mail. Our staff will get back to you shortly.

※ The Construction Office is scheduled to open in December 2026. Please note that inquiries made before this time may take longer to receive a response.

Exhibition Decoration Regulations

◆Important Notes

- Do not block emergency exits, exit signs, smoke exhaust switches, transmitters, emergency telephones, or indoor fire hydrant operation spaces.
- Smoking is prohibited throughout the venue at all times. Please smoke only in designated areas.
- Do not place items in aisles. **(This is strictly prohibited near evacuation routes, emergency exits, indoor fire hydrants, and fire extinguishers.)**
- Do not move equipment or furnishings within or near the venue. Do not hammer nails or tacks into walls, or apply tape or adhesive for fixing purposes.
Do not move equipment or furnishings within or near the venue.
- When constructing displays or transporting materials, take care not to damage venue facilities, electrical/telephone/water systems, or other exhibitors' decorations and products.
In the event of damage, regardless of the reason, please make every effort to restore the area to its original condition.
The exhibitor will be responsible for the repair costs.
- **Use of wall outlets in shared areas** within each hall is prohibited.

◆Ceiling Structures

- Ceiling structures are generally prohibited.
However, exceptions may be made when deemed necessary for the purpose or content of the exhibit (e.g., for light blocking or dust prevention).
If desired, submit construction drawings (floor plans, elevations, detail drawings) at least one month prior to the event.

<If using a tent, please contact the Construction Office>

As tents may interfere with fire detection or sprinkler systems, it is necessary to either install an automatic fire alarm system or arrange for and install wireless detectors on your own.

Please submit the specifications for the wireless smoke detectors you plan to provide in advance.

Fire Regulations

◆Prohibited Acts

1. Use of open flames (including incense, candles, etc.)

Open flames refer to fire-producing devices using gas, liquid, or solid fuels that generate flames or sparks, or devices that expose heat-generating parts externally.

exposed to the outside. Also, appliances using electricity as a heat source where the heating element appears red-hot

(e.g., electric stoves, electric heaters, electric heaters), and appliances where exposed heating elements could ignite flammable materials upon contact may cause instant ignition (generally at temperatures of 400 degrees Celsius or higher).

(Excluding toasters, hair dryers, and ovens where the heating element faces the combustion chamber, air duct, or interior)

2. Prohibited Hazardous Items

The following dangerous goods are prohibited from being brought in.

A) Hazardous Materials

Items listed in Appendix 1 of the Fire Service Act, including but not limited to the following:

- Class 5 Dangerous Goods (e.g., celluloid)
- Class 4 Dangerous Goods
 - Class 1 Petroleum Products (gasoline, thinners, etc.)
 - Class 2 Petroleum Products (kerosene, light oil, vehicle lithium-ion batteries, printing ink, etc.)
 - Class 3 Petroleum Products (heavy oil, machine oil, lubricants, printing ink, etc.)
 - Class 4 Petroleum Products (spindle oil, gear oil, lubricating oil, hydraulic fluid, etc.)
 - Animal and Vegetable Oils (e.g., edible oils)

(b) Flammable liquids or flammable solids

- Designated Combustibles, etc. (candles, cleaning fluids, etc.)

※Liquids containing hydrogen are also included.

(c) Substances specified in Article 2, Paragraph 1, Item 1 of the General High Pressure Gas Safety Regulations, including the following representative examples

- Flammable gases (acetylene, hydrogen, butane, propane, benzene, ammonia)

※Hydrogen generators, such as hydrogen water servers, are also classified as dangerous goods. If you intend to bring one,

(d) The following items specified in the Explosives Control Act

- Explosives (fireworks, explosives)

3. Sale of food and beverages

- Serving or selling food and beverages in the venue and on its premises is prohibited.

<Permit Application for Bringing Items>

If you wish to bring any of the above items into the venue, you must apply for permission to bring them to the fire department at least one month before the event date.

As documentation is required, please contact the Construction Management Office as soon as possible.

About Rental Equipment

◆Rental Equipment Usage Regulations

- ・When renting equipment, please ensure it is returned in its original condition.
- ・Do not use nails or thumbtacks on rental equipment, do not drill holes, and do not decorate using tape that leaves residue.
- ・If damage, such as scratches or stains, is found upon return, the exhibitor will be responsible for the repair costs.

◆Application Method ※For inquiries or consultations, please contact us via email first. The person in charge will contact you.

① Application

Please fill out the application form starting on page 16 and submit it via email to GeoBrain Co., Ltd.

<Application Period>

December 1, 2026 (Tue) – March 31, 2027 (Wed)

② Payment

We will issue an estimate and an invoice. Please make payment in advance via bank transfer.

※Please note that if payment is not confirmed by the due date, your application will be considered canceled.

<Payment Due Date>

April 30, 2027 (Fri)

<Bank Account for Transfer>

Mizuho Bank, Gotanda Branch (Ordinary) 4008457 カジオブレイン

③Delivery, Setup, and Removal

We will deliver to the booth by the morning of the setup day (Friday, May 15, 9:00 AM). When removing the item, please restore it to its original condition before returning it.

【Important Notes】

Please note that refunds are not possible for cancellations after payment has been made. We ask for your understanding before applying.

Rental Equipment List

Booth Construction [Application Form No. 1]

01) Mesh Panel Set

JPY 16,500 (excl. tax)

※Load capacity: Approx. 30kg

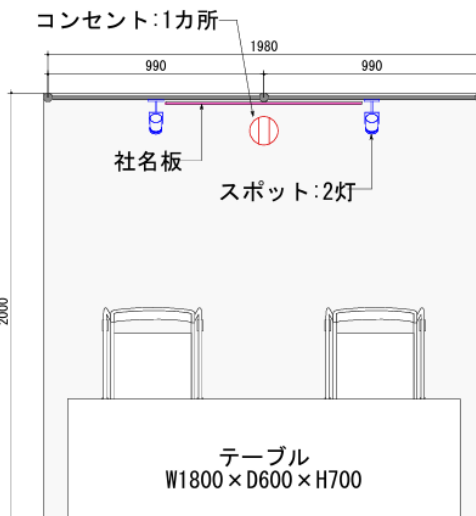

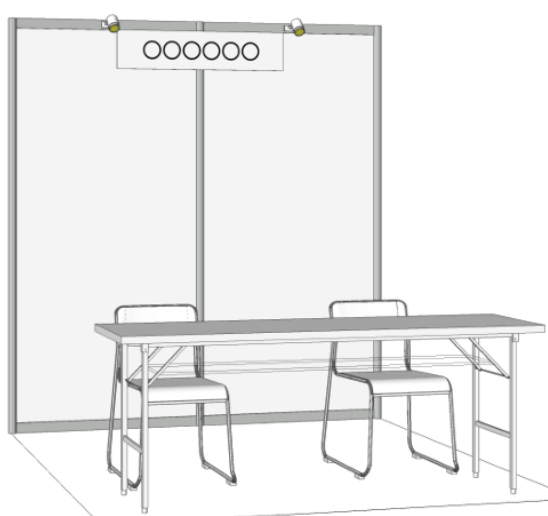

[Contents]	[Quantity]
Wall Panel (White) W990×H2100	1 piece
Mesh Panel W900 × H1800	1 sheet
Weight	2 pieces
Company Name Plate (White) W900×H200	1 piece

*Free logo data modification.

02) [For S Booth] Package Booth (White)
